SUBJECT: Petition to withdraw the Holding of Abandonment for Application 10/065,988

Dear Attorney Woods,

We appreciate very much for your phone call last evening. Sorry that due to the line problem, I could hear you well, but you could not hear me at all.

Here is what I would like to bring to your attention. We had moved our office from suite 203 to suite 209. It's still in the same office building and the street address remains the same, but the suite number has changed. We did request a change of correspondence address. I've attached the application here for your review too.

We would like you to take this new information into consideration and re-examine our petition. Through out the years, your office has spent much time on this application. We've finally reached the home stretch for this application. We are very anxious to see its completion.

Again, we thank you for your attention on this matter. Please let us know if any further information and/or action are required.

Sincerely Yours,

Edward L.W. Soong
